

Section 1:

Empty, first status report

Section 2:

I aided in creating milestone 0 and 1's submission. I have learned more about software engineering processes which will be helpful to our vision. I have not had any trouble with the past week's material. I am confident that I have a strong understanding of the topic covered.

Section 3:

- Begin progressing on "backlog" items on Trello.
- Begin tasks under to-do list which have not been completed
- Continue progressing on items under "doing"
